HILLS SAY THANK YOU

Secretary of the Hills Club, Gordon Styles, said this week that his club was deeply appreciative of the assistance given to them by the W.A.N.F. League, East Fremantle and clubs of the South Suburban-Murray National Football League, so that a start could be made in the 1961 season, following losses sustained in the disastrous fire last January.

All officials, members and supporters sent a **BIG THANK YOU** to all concerned.

Congratulations were extended to former captain-coach Phil Woolhead on his dual success in winning the "Times" Footballer-of-the-Year trophy and the "Sunday Times" trophy for the fairest and best player in the South Suburban-Murray League competition.

Also, congratulations went to another club member in Ken Marnham.

The players' wind-up tea took place at the North Dandalup Hotel, where a most enjoyable time ensued. The main speaker was the club president, Frank Campbell.

Among the gathering was Len Dalton, a former president and Hills stalwart.

Hills promise to be well up on the premiership list next season. Other clubs take note!

COACH PICKS CANNING

COLIN WILLIAMS—HAWKS

Canning, a mobile team with good position players, sound ruck-rovers and a reliable full forward, have the best prospects of winning the premiership this season.

Gosnells Football Club league coach (Colin Williams) has been associated with the Canning coach John Hilton in the amateurs' association and has found him to be a strong student of the game and a good clubman. He is very popular and can gain the confidence of team members and officials.

Colin Williams, who has had a long association with football, went on to say that Armadale will be strong contenders for the premiership. "They are a hard hitting, mobile team," he said.

"Although their coach Wilson Onions is a good clubman, I feel that he has the wrong approach on the field. Juniors are there to be encouraged, not to be knocked around."

Williams went on to say that a strong umpire would set Armadale back because of their tactics and they may even lose their vital game for themselves.

"Mandurah have a good, fast side, but they will have to improve on Sunday's performance to be a danger to Armadale today and Canning next week. They have the ability to get the ball, but do not play on to advantage."

—COLIN WILLIAMS, Coach.

MANDURAH TAKES STOCK

Although well beaten by Canning in the second league semi-final last Sunday, Mandurah Club has taken stock of its resources, said an official after the Pinjarra match.

The seaisiders, who are determined to have a second crack at the Canning Tigers in the grand final, on September 24, are planning their strategy to overcome the 'Dale Demons this weekend. Supporters of both sides should see a great match at Gosnells.

Mandurah held a barbecue at their club rooms after last Sunday's game and an enjoyable few hours restored players' and supporters' optimism regarding the chances to get a second try at the league premiership crown.

The red and whites have experienced a very successful season, with a record number of financial members, a new oval at Rush-ton Park and new club rooms.

The stage has been set to play greater football within the district and to assist with league progress in the 1962 season.

FIELD OFFICIALS

The league umpires' board met last Sunday afternoon and appointed the following field officials for today:—

PINJARRA NOTES

Congratulations to Gus Goerling on being the leading player in our team when the umpires' fairest and best votes were counted recently. This is not the first time that Gus has done this and we feel sure that it will not be the last. We must also congratulate Phil Hennessey on his efforts in the seconds. As he played three or four games in the league team, it was a good effort.

The Pinjarra under-17 team are to be commended for the top class performance against the Canning Districts under-17 team last weekend. We offer our congratulations to Barry Rowcroft and Robert Lever for their splendid games. Many of the boys in this team will help to build up the Pinjarra club in future years.

Our last club raffle was won by Mrs. Sheila Dixon. The win culminated a lucky weekend for the family, as Mr. Tony Dixon (a club committeeman) won a Kalgoorlie Cup sweep last Saturday.

Our annual dinner and dance is on October 14. Don't forget it, folks. Start making your arrangements now.

WANTED . . . NEWS!

There was a distinct shortage of news for the third publication of our Gazette. For next week, GRAND FINAL DAY, we would like club officials to make a special effort. It's your Gazette, use it! Deadline: Tuesday, 5 p.m., in Mandurah.

HAWKS LACK PENETRATION

Gosnells had many opportunities when they matched Canning in midfield play and in the ruck last Sunday, but they lacked penetration in attack and found scoring difficult.

Canning appear to be certainties for the seconds premiership. They played a strong attacking game to win by 36 points. Half backs Cooper, Prentice and Salisbury often turned defence into attack with strong marking and long kicking.

The best man on the ground was Canning centre half forward, D. Fogarty, who kicked five goals and played a major part in his side's early breakaway.

Canning established an early lead, playing their best football late in the second quarter when they outplayed Gosnells to lead 6 goals 5 to 2 goals 3 at half time.

Gosnells played a much improved game in the last half, but every score was hard-earned and Canning were a clear six-goal better team.

SCORES

MADDINGTON NOTES

On October 1, the Maddington Football Club will hold a Past v. Present football match. Among the past players will be many well-known names, including John, Jim and George Worth, Ray Reynolds, Tom Fraser, Brian Knowles, Dave Jennings, Rudy Dorotich and "Jigger" Johnston. East Perth and State players, Graham Farmer and Ted Kilmurray, who are both past players of the club, will be invited to umpire the game.

Everyone is invited to attend, so jot down the time (2 p.m.), the date (October 1) and the place (Maddington Football Ground). A barbecue will follow.

The counting of the club fairest and best votes is the big event of the week and the results will be announced in the Gazette next week.

The club offers best wishes to former player John Worth, who will be taking the field with Canning in the grand final next Sunday.

LEAGUE DOINGS

Situation Vacant: Wanted, a registrar, for the 1962 season to relieve secretary-treasurer, Reg Blackburn, of these duties. Any takers?

There is news this week that Reg will be able to leave hospital in about six weeks. His report on the season now closing will appear in next week's Gazette.

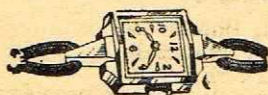

PIPE-OPENER HAS EXCITING DRAW

There was plenty of good, clean football in an exciting draw played by Pinjarra and Canning under-17's last Sunday morning at Pinjarra.

The match was a pipe-opener to the second semi-finals of the league and seconds competition.

Pinjarra was one point in the lead, 5.5 to 5.4, but Canning were able to even the scores seconds before the final siren.

TROPHY WINNER

Pictured is the winner of the "Times" trophy for the footballer-of-the-year and the "Sunday Times" trophy winner (as voted by the central umpires), Phil Woolhead.

Woolhead, who played consistently in the ruck for Hills during the season, has been playing competitive football for 15 years, but has never played in a premiership side. He missed this year, of course, but Hills are anxious to be able to oblige him in the 1962 season.

GOSNELLS, ARMADALE WIN

Two semi-finals in the South Suburban Under-17's Association competition were played last weekend.

Gosnells 14.22 easily defeated Kenwick 4.4, in the second semi-final, but Armadale had a much stiffer task in the first semi, defeating Maddington 7.8 to 6.7.

Kelmscott is the other team in the association.

Armadale will meet Kenwick in the preliminary final this weekend.

PICNIC FINISH TO SEMI-FINAL

The second semi-final ended in a picnic atmosphere at Pinjarra last Sunday, when Cannington overwhelmed Mandurah, scoring 8 goals 2 behinds in the last quarter to win by 56 points.

Canning gave themselves an early five-goal break when Chris Baxter and Noble opened the game in high gear. They attacked the goals with purpose, while any moves that the Mandurah centreline opened ended in the reliable arms of either Grant or McIlveney.

Mainly through the efforts of Watkins, Kay, Watts and Bradshaw, Mandurah outscored Canning in both the second and third quarters.

The underdogs had a fighting chance when they were only 21 points behind at three-quarter time, but their hopes were devastated when J. Hilton, Noble, Haywood and Giles broke down the tiring Mandurah backline with pace early in the final term.

Although Mandurah matched the leaders for pace, Canning gave a thrilling display of high marking and their leading, kicking and handball gave them a distinct edge.

SCORES

Canning	5.4	0.4	3.1	8.2	Final: 16.11 (107).
Mandurah	1.3	1.1	3.2	2.3	Final: 7.9 (51).

GOAL SCORERS

Mandurah: Fogarty, Butt 2 each, King, Ferguson and Bourne 1 each.

CANNING FOR PREMIERS?

The coach of the Kenwick Football Club (G. Haynes), tips Canning for the league pennant this season. He says that the team with the less weaknesses wins final round games and after their great showing of all-round strength against Mandurah on Sunday, they appear to be certainties.

He thinks that Mandurah will be too pacy for Armadale today, but will not threaten Cannington in the grand final at Pinjarra next week.

RESULTS—MATCHES IN BRIEF

LAST SUNDAY, PINJARRA

League: Canning 16.11 (107) defeated Mandurah 7.9 (51).

Seconds: Canning 11.13 (79) defeated Gosnells 6.7 (43).

NEXT SUNDAY, SEPTEMBER 23

Grand Final is to be played at Pinjarra.

League: Canning versus the winner of today's Mandurah v. Armadale match.

LEAGUE PLAYERS AT TRAINING

Two Claremont league players, John O'Connell and John Dethridge, trained with the Canning team on the Thursday prior to the second semi-final. The club would like to thank these two, especially if it contributed in any way to the way Canning played against Mandurah.

Although he hasn't been able to make training for some time, Chris Noble played a good game for Cannington last Sunday. Chris (a carpenter) is at present working at Northam and hasn't been able to train with his team mates.

Canning players are happy after their good double, and would like to thank the Mandurah club for a good, clean, hard-fought game.

Norm Grant, Lyle Giles and Rob Haywood were the best for the club last Sunday. Norm, who appears to rise to his greatest during final round games, looks like repeating his performance of last season when he convincingly won best votes in the semi-final that Canning lost to Hills by one point.

The seconds grand final next Sunday will be the seventh that Canning have played under their present captain-coach (Trevor Parker). Just for the record, they have only lost one of these six grand finals.

Everyone knows that the Canning seconds have won all of their 19 games this season, but it is interesting to note that they CAN be beaten. Why, last year Maddington beat them by three points! Their only loss in their last 39 games!

Des Fogarty was the best for the seconds last Sunday with five goals at centre half forward. J. Day and R. Dennis also contributed with mighty games.

Fred Kersley (jnr.) also played well. Fred is at present the leading driver in State trotting circles.

OLDEST FOOTBALLER?

There are few football followers in Mandurah, or in the South Suburban-Murray League, that remember Charlie Pearce playing for Subiaco.

Charlie, now 84, has retired to Mandurah. He took the field for the maroon and golds in 1901, as a playing member of their first league team.

The giants of the team in the first game, after Suby's foundation, were Gillies, Swan, Outrim, Edwards, Young, Pearce, the two Wilsons, Anning, Boas, McHarry, Carroll, Bolt, Goode, Smith, Jones, Austin and Bowman.

Charlie stayed with Subiaco for their first two seasons, but in 1903-4 he played association football for Collie.

He spent four years umpiring for the Collie Association and a further four years at Bunbury. As a 15-year-old boy, Charlie first played competitive football in Broken Hill, N.S.W. He arrived in Kalgoorlie in 1896 as a blacksmith. **He quickly won a place in a Goldfields team and he played there until he moved to Bunbury.**

GOSNELLS COACH PLEASED

John Marsh, coach of Gosnells Under-17's, was pleased to see his team romp home against Kenwick last weekend.

An ex-Victorian, he was also happy to hear that Hawthorn, his V.F.L. team, had won its way into the grand final.
